Land & Sea

Italy's Ultimate Adventure Program

Land & Sea brings together the best of our Outdoor Exploration and Sea Quest programs, for a fortnight of unparalleled adventure in central Italy. 12- to 17-year-old campers delve into thrilling outdoor activities amidst the scenic Italian highlands and countryside, and then sail 50-foot yachts around some of the most beautiful islands in the Mediterranean.

Outdoor Exploration

Before setting sail, students first get their bearings on land, practicing outdoor sports and teambuilding skills. At Outdoor Exploration campers will:

- Taste delicious local food
- Develop valuable lifelong skills through teamwork
- Learn about the environment
- Take on exciting challenges like rafting, orienteering, rock-wall climbing, trekking, and camping
- And much more!

Sea Quest

After their land adventures, campers will board our 50-foot sailboats to start their Sea Quest adventure. Guided by British RYA instructors and under the close supervision of Alphabet counselors, students will:

- Navigate the crystal-clear waters
- Learn to handle the sailboat, from rigging to mooring
- Discover the unique histories of the islands they visit
- Indulge in authentic pizza at an island restaurant at sunset
- And anticipate even more wonderful surprises!

Land & Sea offers an incredible two-week experience in Italy. It's not just about adventure; it's also an opportunity to connect with Italy's natural beauty, immerse in its rich culture, and acquire skills that will stay with campers for life. It's experiential education at its finest!
